

## Security

**Kwik Stor** tenants have 24-hour computerized access to their units via a keypad and personal pin. Each unit locks individually with an independent locking system. Tenants provide their own lock for added security – only you carry the key.

**Kwik Stor** facilities are well lit for convenience and safety.

**Kwik Stor** also employs many *security cameras* throughout the facility.

We understand the importance of our tenant's valuables and personal property and strive to provide the best in safety and security.

All units are dry, clean, and individually accessed through a locked metal roll door.

## Storage Options

**Kwik Stor** offers various units ranging from 5'x5' to 10'x40' and many sizes in between.

With optional indoor storage units; the weather doesn't affect your storage and moving activities. These are offered in a variety of sizes.

## Climate Control

**Kwik Stor** offers Climate Control units for storing more temperature sensitive items such as records, CDs, expensive wood furniture, clothing, books, etc.

Don't let the heat and cold attack your volatile personal belongings – **Kwik Stor** has the answer.
